83 Hooks were pulled.

We had to stop pulling because a severe thunderstorm with hail was near and headed toward us. It was lightning before we got loaded up. We ran into heavy rain between Scottsburg & South Boston. Scottsburg Fire Department had on their Facebook page that it did rain. I think we made the right decision. At least we timed it right this time and no one got wet. We made sure everyone got to pull at least once this time. Hope I didn't confuse too many by changing up the running order. A few pullers didn't get their money back or certificates. You can get both at the next pull. If you don't want them or want to make other arrangements, let us know. You can contact me, Debbie with OCP. I'll pass it on to Halifax County.
